Pam, Steve, I didn't catch this yesterday – but **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

If they were looped in on separate E-mails for input, I did not see them. I hope this makes sense. Thanks, Sushila

Hi Fred,

Thanks for your email. We have a short agenda for our December 3rd, meeting and think we should be able to handle it by conference call. We propose setting aside the time from 10:30 a.m. to 12:30 p.m., although we may not need the whole two hours. Discussion topics include:

1. Cost-estimating methodology used for City Beautiful H₂O Program Plan - Appendix B
2. Future discussions on LTCP modification that may reduce costs
3. Next call/meeting

In addition, enclosed please find the analysis by our consultant, PG Environmental, of City Beautiful H₂O Program Plan Appendix B.

I will set up a conference line once you confirm your availability for the proposed time. You can either forward me a list of attendees or I can send the scheduler to you and you can forward to your group.

Thank you. We look forward to speaking with you on the December 3rd.

Hi, Pam – just checking in. Thoughts as to what issues your folks would like to cover on Dec. 3, and whether that should be in a meeting or a call?

Excellent. Shall we wait until the government folks have had time to digest the list before we decide if we need a meeting or a call?

Thanks, Fred, and look forward to hearing from you later.

Pam

Hi Fred,

It was a pleasure to meet you yesterday and I thank you for a very productive meeting.

As we discussed, we would appreciate receiving the additional materials promised at yesterday's meeting and any additional information you would like to provide on or before 10/31/19. Once Tom Rowlett has had an opportunity to review those materials, we would like to have another meeting, or call if that is sufficient, to discuss where we are.

Since it's difficult to coordinate so many schedules, we are providing dates now so we have something on the calendar. Please advise as to what suits you and your clients. These dates work for both EPA and the State.

November: 19, 20, 21, 25, or 26;
December 3, 4, or 5 (morning only).

Please let me know your availability. We look forward to working with you in bringing this matter to a satisfactory conclusion.

Thank you,
Pam Lazos
